

# ***Blast Past Your Competition!***

## ***Grow Your Business Through 5 Critical Best Practices***

With GABA Guest Speaker Heidi BK Sloss, Author and Entrepreneur

**Running a business does not have to be complicated and making money is possible IF you have a strong foundation in business fundamentals—or what Heidi Sloss calls her 5 POWER Strategies. These 5 strategies are often neglected or get lost as busy business owners allow themselves to get spread too thin. Think about your business and how it would grow if you limited yourself to only 5 powerful strategies that will make the difference between being tired and scattered or profitable and successful.**

**Based on information from her new, bestselling book, *Fortune is in the Follow-Up*, this presentation will teach you powerful strategies to take your business to the next level of success---even in a crappy economy! In today’s confusing economic environment, small business owners are being told conflicting advice from everyone. But not all the latest and greatest marketing tools are right for every business. Learn what you need to do to make money without driving yourself nuts.**

**~Open to all members of the business community. ~**
